Calls for some information

Letter No D3 C 1512/47-48 dt 16-7-48 from the Dy Commr, Mysore Dt furnishing the information

40) It is reported that the Honnur Town mc are not in favour of taking a loan of Rs 10,000 at 4% interest repayable in 10 annual instalments on the ground that they are not in a position to repay it as they have undertaken drainage scheme, construction of a settling tank and a female dispensary which involve heavy outlay and that it is requested that the Grant of Rs 10,000/- asked for may be Granted

41) A sum of Rs 6,025. was Granted to the Honnur Town mcp during the year 1947-48 towards water supply Grants for improving water supply to Kalkunike in Honnur Tq.

10

5392 / 656 / L

4a) Grant was made from out of the Town Improvement Grants during the year 1947-48 dealt with reference to Paras 33&34 supra

4b) Please note the financial position of this mlty according to the Budget estimates furnished by recent for 31-7-48

4c) Kindly the financial condition of the Thuthur Town mlty according to the Budget estimates for 48-49 since received in this offices as follows—

Opening balance	Rs 27,795
Receipts	" 66,191
	93,986
Expenditure	Rs 69,205
Closing balance	Rs 24,781

45 No provision is made in the Budget of the mlty for 48-49 for effecting improvements to the Shandy mandam at the place

46) Provision is made for the followings works under DI original—

(1)	Construction of Mutton stalls	Rs 4000/-
(2)	—do— Office	" 1300/-
(3)	Repairs to existing roads	" 2000
	—do— the Buildings	" 500

47. Mr. Thomson Dundee is willing to raise a loan for the purpose & wants an outright grant of £100,000 for the first work for which no grant could be given & is seen from the Budget figures & the previous page that the City is not calling on such an unprecedented Condition as to be unable to pay any money towards the taking of this work being a work of municipal trading & should be up to the City to spread the over 3 or 4 years payment as the undertaking for the Tees level & the Corporation would go to recoup the expense in this behalf

48) Further. The payment of grants towards such purposes would create an unfortunate precedent — the demands of waterfall drainage & slum clearance which would mean permanent waterfall services

---

In continuation of this Office D.O. letter No. D3-C 1512/45-46 dated 9-11-47 on the above subject, I have the honour to forward herewith, a report No. M.C. 30/45-6 dated 21st December 1947 received from the President, Town Municipal Council, Mulbagal together with plan and an estimate for Rs. 1250/- (as passed by the Senitary Engineer) for the proposed construction of a Shandy Stall at Mulbagal. The Council proposes to construct 16 stalls at Rs. 1250/- each, the total cost on this account being Rs. 20,000/- It is stated that this is a dire necessity to protect stalls in the only maidan from beating rain and sun during the Shandy days. The proposal formed part the representation made by the Councillors to the Minister in his visit to the Town for grant of Rs. 10,000 for this out of the Town Improvement grants. The President, however has not enclosed a copy of the Council Resolution. I have called for the same and shall send it as soon as it is received. The other half of the cost is proposed to be met out of the Municipal Funds.

I request in the circumstances that Government may kindly be moved to accord sanction to the proposal to construct 16 stalls at a cost of Rs. 20,000/- permitting the Municipality to pay Rs. 10,000/- out of their funds, the other half may kindly ordered to be paid as a Government grant from out of the Town Improvement grants for the current year.
